A bibliography on programme evaluation review technique.

KRUPINSKI, J.

362.2 A statistical system introduced for the evaluation of the epidemiology
KRU of psychiatric disorders in Victoria, Australia. 1962

Reprinted from "Health Bulletin", the official journal of the Dept.
of Health, Victoria.

NEW ZEALAND. Dept. of Health. Medical Statistics Branch

FS
362.2 Mental health statistics handbook. 1962
NZ

This handbook is intended as a reference manual both for records
officers and for medical officers. Part 1 describes the procedure
for preparing the cards for mechanical tabulation. Part 2 sets
out some of the codes used to classify the personal history and
clinical data on the statistical cards.

RESERVE BANK OF AUSTRALIA.

339.26 Flow-of-funds Australia, 1953-54 to 1961-62. 1965
RES

This paper offers estimates of certain transactions in financial
claims in Australia over the period 1953/54 to 1961/62. These
transactions are classified by type of claim and type of transactor
and presented in a form of flow-of-funds accounts within a framework
which permits certain checks on internal consistency.

UNITED NATIONS. Economic and Social Council. Statistical Commission,
13th Session, New York, 20th April - 10th May, 1965.

310.631 Five-year programme of international statistics. 1965
UNI

Presents the long-range plans in the field of statistics of the
United Nations, the regional economic commissions, the specialized
agencies and the Inter American Statistical Institute. In most
cases, the work programme is given for the period 1965 to 1969.
In a few cases it is also possible to present information for the
period 1970 to 1974.

VICTORIA. Dept. of Mental Health

362.2 Statistical system - 1963 n.d.
VIC

The system has been designed to provide a basic minimum of data
essential for preliminary statistical studies.

VICTORIA. Mental Health Research Institute. Statistical -
Epidemiological Unit.

362.2 Admissions, discharges and deaths 1st July-31st December,
VIC 1961. 1963

The period between 1st July & 31st December 1961 is regarded as a
transitional period between the hospital census completed on 30th
June 1961 and the year 1962, the first subsequent year for which full
statistics are available. The information in this bulletin serves as
a bridge between these and it has accordingly been prepared in
abbreviated form.

362.2 Admissions, discharges and deaths, 1962. 1964
VIC

Presents statistics for the first complete year since the introduction
of the new statistical system.

Hospital patients' census, June 30th, 1961.

1963

362.2
VIC Presents results of a census of all patients resident in Mental Health Dept. Institutions, and "on trial leave" or "boarded-out".
